

RAIL SAFETY WORKER

Thank you for your interest in Rail Safety Worker (RSW), the Pegasus solution for the rail industry. RSW meets regulatory requirements and complies with national rail safety law.

Please visit railsafetyworker.com.au for more information. [Click here to find our Partners and Projects.](#)

In June 2019, the Rail Industry Worker (RIW) program transitioned from Pegasus to the new provider, Metro Trains Australia (MTA). We have clarified some information about the Rail Safety Worker system and the MTA RIW system below.

Rail Safety Worker (Pegasus)	Rail Industry Worker (MTA)
 An orange and white ID card template for Rail Safety Worker. It features the Rail Safety Worker logo, a photo placeholder, and fields for 'FIRST NAME', 'LAST NAME', and 'ID NUMBER'. A QR code is located in the bottom right corner.	 A blue and white ID card template for Rail Industry Worker. It features a photo placeholder, the name 'Chazz Abshire', 'RIW NO. 10-0002418', and 'ISSUE NO. 1'. It also includes a QR code and logos for 'RAIL INDUSTRY WORKER' and 'AUSTRALASIAN RAILROAD ASSOCIATION'.
<p>Card: orange (as shown above) or green (previous RIW card) Accepted: on the sites and projects listed on this page Support line: 1300 309 566 Email: rsw@pegasus.net.au Website: railsafetyworker.com.au</p>	<p>Card: blue (as shown above) Accepted: by the clients listed on this page Support line: 1300 101 682 Email: info@riw.net.au Website: www.riw.net.au</p>

Help and Information

Please visit railsafetyworker.com.au for more information about the system.

You can also call the Pegasus RSW team during business hours on 1300 309 566 or email rsw@pegasus.net.au.
